Previous Mtg Minutes – November Approved

New Business/Lay Director Update - Carmela Gonzales

-Was able to text John Stockard from Flagstaff and hopefully he will get back to us to discuss the plan for a July weekend in Flagstaff. We really need their input.

-Regarding the Cena; We (Joe & Angela Fairlie) are still getting no responses from anyone interested in heading up the Cena & it has been frustrating. The group talked about thoughts on cancelling all together.

Terry brought up the Fiesta we had years ago to do that again? Maybe we can include Spanish side?

How about downsizing the Cena & maybe doing a casino night? Vee offered to help & Secretariat said we should all help as a whole.

Going to meet separately to discuss & plan 1/28 after Ultreya. Vee will call around for casino vendors. Food would consist of appetizers & we'll ask Joe F. about the liquor.

-Carmela shared she reached out to Carlos to meet with Bishops but there dates are difficult right now. Suggested the Bishops give us some dates that would work for them & also they would be able to attend the Grand Ultreya with English & Spanish together.

-Carmela brought up 'how can we better communicate or reach out to cursillistas better?' Vee suggested making personal phone calls via the database and we can split it up amongst us. Terry asked about using mailers? Ceil is going to look into a using a 'text blasts'. We need to figure out if our database is user friendly.
